Secondary school students from Słupia travelled to Romania thanks to Comenius Project

They were hosted in Romania

Secondary school students participating in Comenius Programme visited Romania.

At the invitation of the Colegiul National “ Michai Eminescu “ in Baia Mare in Romania Roman Czernecki Secondary School students and teachers participated in meeting of Partnership Schools Project in Comenius Program . School teachers were represented by Zofia Stachura – Secondary School headteacher, Katarzyna Stepień - project coordinator, Kamil Hukowski - English teacher and students: Monika Kasperczyk, Justyna Zdańska, Roksana Dłużniak, Karolina Łata. Representatives of five partner schools from Spain, Greece, Turkey, Italy and Romania are taking part in this project too.

For this meeting in Baia Mare, students from Słupia prepared a multimedia presentation , review and some illustrations about the book “Odyssey” by Homer.

In order to approximate national identity, the meeting presented the characteristic features of each country, for example, clothes, music, dance, regional dishes. During the visit, Wordcrossing group assigned tasks to perform in order to carry out the Wordcrossing project theme and established schedule of subsequent visits. During the stay in Romania, teachers and students had the opportunity to learn the beautiful region of Maramures in which Baia Mare is situated.

“Thanks to Comenius Programme, stay in Romania was a fantastic adventure. I visited part of this amazing country , I met a lot of interesting people, Romanian dishes which are really delicious. Thanks to my great friend Danuda I learned a lot about their culture. My host family was really nice. My friend just met created a perfect atmosphere, through which I felt just like at home. Baia Mare is such beautiful place. People here are really friendly and kind. During my stay in Romania I understood how important is English language. I would like to convince you all to learn it. This trip realized me that we can't disregard the importance of foreign languages”.

Secondary school students from Słupia visited Romania

On 16 - 20 April 2013, students from Roman Czernecki Secondary School in Słupia participating in Comenius Program – Partnership Schools Project were hosted in Romania. This time they went on a trip at the invitation of the Colegiul National “ Michai Eminescu “ in Baia Mare in Romania. School teachers were represented by Zofia Stachura – Secondary School headteacher, Katarzyna Stepień - project coordinator, Kamil Hukowski - English teacher and students: Monika Kasperczyk, Justyna Zdańska, Roksana Dłużniak, Karolina

Łata. Representatives of five partner schools from Spain, Greece, Turkey, Italy and Romania are taking part in this project too.

For this meeting in Baia Mare, students from Słupia prepared a multimedia presentation, review and some illustrations about the book "Odyssey" by Homer.

In order to approximate national identity, the meeting presented the characteristic features of each country, for example, clothes, music, dance, regional dishes. During the visit, Wordcrossing group assigned tasks to perform in order to carry out the Wordcrossing project theme and established schedule of subsequent visits. During the stay in Romania, teachers and students had the opportunity to learn the beautiful region of Maramures in which Baia Mare is situated. As we know travelling learns. Here are the memories of students:

"Thanks to Comenius Programme, stay in Romania was a fantastic adventure. I visited part of this amazing country, I met a lot of interesting people, Romanian dishes which are really delicious. Thanks to my great friend Danuda I learned a lot about their culture. My host family was really nice. My friend just met created a perfect atmosphere, through which I felt just like at home. "Romania is a fantastic country. There is the mountain land of Maramures, which I visited. In Sighetu Marmatiei we were in a former prison which now operates as a museum. To the west of Sighetu is one of the most famous villages in Romania Sapanta. In the centre of the village, Cimitirul Vesel is located - funny cemetery with wooden, carved and painted crosses. We followed the Orthodox trail to the village of Barsana. School in Baia Mare is the language school so we participated in English classes. With a trip to Romania, I have lots of great memories. We miss the people I met and I hope to see them in the near future".

Roksana Dłużniak III B

"Travel to Romania was great. The weather was fantastic. Baia Mare has proved to be a large, growing city. Because of the fact that I love nature I was also attracted by ceratonia trees growing there or beans bread. I would like to return to Baia Mare to my friends."

Monika Kasperczyk III B

"During my stay in Romania I met the culture of the country and visited the beautiful places but also met the wonderful and friendly people. During the meeting, I got to know the taste of many dishes from around the world as well as traditional dances from Italy, Turkey, Greece, Spain, Romania and Poland. In this way I could practise my English language and learn some Romanian words. Stay in Baia Mare was an incredible adventure that I'll never forget."
