

First day (Tuesday)

We took the plane in the morning and we travelled for three hours. Then, we went by taxi to Trikala. We arrived in the evening and we met our families and partners and we all went home. It was a long and tiring travel, but it was worth doing it.

Second day (Wednesday)

We arrived to the school and we met all of the people from other countries. We did some presentations and the competitions of the Anthem and the Logo. Then, we had lunch all together and we danced Greek dances. In the afternoon, we did some activities with our partners and we took a walk around Trikala.

Third day (Thursday)

On Thursday we visited Varousi, a high part of Trikala. We walked through a forest and we arrived in a museum, where some people explained us all the history of Varousi. Then, we walked around it and visited the traditional greek buidings.

Fourth day (Friday)

We went by bus to Meteora, which are big mountains with monasteries. We visited cave, a nuns' monastery and a priest's monastery. It was really impressive. In the evening all students and teachers had dinner together in a hotel. We danced, sang and had a lot of fun.

Fifth day (Saturday)

That was a free day to spend it with the families. Three of the students went to Pertouli, a mountain near Trikala with snow where we played and had fun there. The other student went to a class of Greek dances. In the afternoon we all met and had the last walk together.

Sixth day (Sunday)

We woke up very early to take the bus to the airport. We flew to Barcelona and we didn't have a quiet flight because of the weather. We arrived to Igualada in the evening.
