The screenshot shows the Sizable Send website interface. At the top left is the logo "SIZABLE SEND" with a cloud and upload icon. At the top right, the user is logged in as "Hi, Europeanwordcrossing@gmail.com" with a "LOGOUT" button circled in red. A yellow arrow points from a text box below to the "LOGOUT" button. The text box says "And finally log out". Below the header, a yellow box contains the text "Send link to webmaster: Europeanwordcrossing@gmail.com". A yellow arrow points from this box to the "Email File" icon in the file management toolbar of a file card. The main area is titled "MY FILES" and displays several file cards. The first card is a WMV video file with a toolbar containing icons for info, share, email, and delete. The "Email File" icon is circled in red. Other cards are MP3 audio files and a PDF file.
